

Education and Leadership for a Lifetime

2100 Freeway Boulevard, Brooklyn Center, Minnesota 55430-1735 | (763) 560-2262, FAX (763) 569-0499 | www.mshsl.org

Programmer – IT Support

The MSHSL is looking for a full-time ASP/Javascript programmer to support the organization's growing web functionality. The MSHSL is located in Brooklyn Center, MN and supports over 450 member schools throughout the state of MN.

RESPONSIBILITIES

Support existing machines and users in the office

- Desktop/Server Maintenance
- User training/assistance with internal applications

Support existing web applications

- A focus on process improvement
- Bug fixes for existing ASP code
- New enhancements/user suggestions
- Work with external users to troubleshoot issues

New Web Development

- Work with internal users on new intranet applications
- Create and maintain new web features

REQUIREMENTS

Applicants need to have a programming background (2+ years).

- ASP, Javascript, jquery, SQL

Windows server and desktop support experience is strongly desired.

Applicants need to be able to work on multiple projects at the same time and will work both independently and as part of a team.

Applicants are asked to email resumes and salary requirements to resumes@mshsl.org. Application deadline is September 15th, 2014. While all applications are appreciated, only those candidates selected for interviews will be contacted.
